MISTY ROAN
Mmm...
I'm blinded by the light... Is it morning? Why is there a tree?
I clearly was on the bus and fell into the river.
Ouch
What really happened?
MISTY ROAN
Where is this place? Is it a forest?
I have never seen this place before...
No way... It couldn't be!
It wasn't a dream? Did that blue bird really sent me to another world?
This is not a fantasy novel!
Are you awake now? You didn't wake up for a long time.
Wuff!
I can tell from your expression that you don't have any idea about what's happening.
Did you know where this place is before you got here?

I'm sorry to say this, when this is our first time meeting, but... Where is this place?
This is the country of Silha. The imperial palace of the Silha Empire.
Country Silha?
I never heard of it.
Is this real?!
And unfortunately, we're inside the forest of Blue right now.
WAIT. WAIT! THEN, THIS IS NOT SOUTH KOREA?
South Korea? I never heard of it.
The country of Silha... Blue forest, Strange clothes, and No way of talking...
I want to deny it.
Although, this might not be a dream! Furthermore, this can't be real!
MISTY ROAN
If your questioning is over? Then I'm going to question you now.
How did you get inside the forest of Blue?
Even if you ask me that. I don't know about it at all.
I just woke up, and I was here.
Black
It's okay to tell me a worthless story like that. First, take this.

And then choose an even or an odd number.
Yes? Even... even?

MISTY ROIN
Why do you want me to choose it?
Even number. That is going to be your destiny now.

When you count the petals and if it ends up being an even number, I'm not going to kill you.
Count it.

What is that...! A sword? Is he serious?
Why is this happening to me? But, even if I stay quiet...
He is going to kill me, so let's count the petals first.
Even... even.

Even
Odd
Even

What's left is the odd number! What.. what should I do?
He's not really going to kill me, is he?

MISTY ROIN
I think the answer has been decided now.

WAIT! WAIT! PLEASE WAIT!

Why is this happening...? I'm panicking and I can't say anything.
Why does this have to happen to me?

Just because of a flower fortune!

MISTY RAIN
I will let you say your final words before ending your life.
If you have something to say, then say it.

Yea, I didn't have any reason to live anymore. Besides, I'm already dead.
Don't you have one?
But! But! Even still!

I don't want to die like this because it doesn't even make any sense!

MISTY RAIN

Are you trying to pray silently?
I don't know. When things are like this, let's die by saying something that I want to say.
THIS IS REALLY UNFAIR!
